Hi Penny

Regret YLW cannot burn FO380, as the engine design to burn FO180.

**Subject:** YLW// LSFO IN ULSAN

Hi Tan,

Pls note, as we been advised from our bunker trader, only LSFO 380 available in Ulsan. Pls advise if she is able to burn FO380 instead of FO180??

Thank you.

Best Regards  
Penny Kengitsi (Ms.)
